

## Howbridge Church of England Junior School

### Data Summary 2017

Below is a summary of our attainment and achievement, and the progress made from KS1 following the KS2 SATs this year. Having set challenging targets we are proud to have exceeded these and believe that this is an indication of the continued improvements that we are making within our school. We would like to thank the year 6 pupils for their hard work over the last 4 years as well as all the staff (and parents) who have supported them to achieve these results. We are very proud of you.
