# Year 3 News

Our new-look newsletter with all the latest updates from school

**13th March 2020**

## Learning this week

In English, children have been analysing and developing a character for their own losing tale. To develop our story writing skills, we have been building on using inverted commas in speech. Children have begun to plan and write their own losing tale.

In Maths, we have continued with adding and subtracting lengths. From this, children have then begun to use this skill to find the perimeter of 2D shapes.

In Science, we have looked at the different types of teeth and their functions. Soon we will be conducting an experiment about healthy teeth.

3C finished a successful swimming unit, 3C and 3K have been practising their football skills and all classes have been recognising the importance of exercise by completing HIIT workouts.

## *Anderson Shelter*

Mr Heath (our cleaner) and Mr Eaves have been working really hard in their spare time to build an Anderson Shelter in honour of VE Day. We are asking for donations (plants, flowers, sand, sand bags, fence posts-to build chicken runs- and wood) to help finish this VE memorial.

## Overdue Library Books

Every class keeps close monitor of the books children borrow from school. It has come to our attention that almost 400 books across the school are currently overdue. Please can you check at home for any library or reading quiz books that your children may have borrowed otherwise letters to reimburse the books will be sent home.

## Upcoming Dates

- 16.03.20 - 3CO Swimming
- 18.03.20 - 6H Class Assembly
- 19.03.20 - 5W Class Assembly
