Learning this week

In maths we have been adding and subtracting mixed numbers.

Below is an example of what we have completed this week.

Tick the calculation where the answer is a whole number.

A. $4 \frac{8}{18} - \frac{2}{6}$

B. $3 \frac{1}{6} - \frac{3}{18}$

Our English unit this half term is 'Defeating a Monster' so far we have completed character and setting descriptions using 'The Dragon Slayer' for inspiration.

In RE we are studying the significance of Holy Week and have thought about how Mary would have felt during this time.

In Science we are looking at life cycles of different types of mammals, amphibians and insects.

NEWS THIS WEEK

This week we have launched our new Healthy Schools initiative and are going to reintroduce Health Schools Ambassadors along with monthly tasting tables.

Can we please remind you that snacks brought in for break-time should be healthy—please see below for a list of ideas.

REMINDERS

There are spaces available for Guitar lessons (After Easter) £13 per ½ hour—please see the office for a form.

There are numerous books overdue from our library—children have been told if they have any overdue books. Unfortunately, if they are not returned we will have to issue a charge to replace the books so our wonderful library still has a wide range.

Thank you for your cooperation.
