Creative Arts Subjects Intent Statement

'To promote pupils' life-long learning through: exploration interpretation and performance. Developing global awareness in an ever-changing world; challenging curious minds through creative enquiry.'

Modern Foreign Languages

Intent Statement

Learning a language enriches the curriculum helping to create enthusiastic learners and to develop positive attitudes to language learning throughout life.

Our aim at Howbridge Church of England Junior School is to enable pupils to enjoy enrichment experiences, develop rich vocabulary and to respect diversity and individuality. The skills, knowledge and understanding gained contribute to the development of children's oracy and literacy and to their understanding of their own culture and those of others.

The teaching of Modern Foreign Languages (MFL) is an important part of this. We aim to inspire curiosity and a love of languages that pupils will strengthen and develop as they progress through our school. Pupils should be able to extend their knowledge of how language works and explore the differences between how the French and English languages are structured.

We aim to prepare children for the KS3 language curriculum to enable them to transfer confidently and successfully.
