GROW WITH US

NOURISH

YOUR SCHOOL'S CHOSEN CATERER

Nourish will be providing your children's lunches when they start school in March, a copy of the menu is attached.

OUR COMPANY ETHOS

At Nourish we are passionate about providing nutritional food that our pupils love.

FRESH FOOD

Fresh food is the heart of Nourish

FRESH IDEAS

Lateral thinking creating an impact

FRESH APPROACH

Operators at every level

Our menus are attractive, informative, nutritionally analysed and updated twice a year. We work closely with our schools and hold tasting sessions where the pupils sample a range of dishes and feedback their comments to us. We work with school councils, attending meetings and acting on the children's comments and requests.

MEET MR NOURISH

Mr Nourish is our company mascot. He has been a big hit with the pupils, guiding them through menus and writing his own seasonal newsletter advising them of upcoming events, specials days and seasonal foods. Mr Nourish has also visited many of our schools meeting the pupils during lunch and assemblies.

NOURISH FAMILY TREE

Nourish is unique in that our owner directors all work in the business. We are a family that all work together building lasting relationships and understanding our schools' needs.

We look forward to meeting your children at lunchtime.
